The mortgage covering these Bonds is executed to Shepherd Knapp, President of Mechanics Bank, and Daniel S. Miller, Esq., [16] Front-st. New-York, in trust for the bond-holders.

This mortgage covers the line from Rutland, Vt. to Salem, Washington Co. N. Y., 40 miles, which is contracted for at \$1,000,000, and the Trustees are empowered, in case of default of payment of interest or principal on these bonds, to take possession of, use or sell the whole property of the same for the benefit of the bondholders.

The proceeds of these Bonds are to be devoted to the purchase of I ren for the Road from Rutland to Salem, the whole grading and superstructure being provided for by cash stock subscriptions along the line of the Road.

The marble and other quarries, and the water-power along this route are very valuable and will furnish a large amount of traffic to the Road.
